

We wish Mrs. Poulos all the best as she has accepted a position at Huntsville High School starting later this month. Mrs. Poulos has been our incredibly efficient, helpful, thoughtful and supportive school secretary for the past fourteen years. To say that she will be missed is an understatement! Thank you for all of your hard work at VK Greer! You will always be a VIPER to us Mrs. Poulos!

Inclement Weather

With the arrival of the winter weather, just a reminder to listen to one of the following radio stations for bus cancellation information on mornings when the weather is questionable: The Moose 105.5 Huntsville, The Moose 99.5 Bracebridge, Rock 95.7, or CBC One 94.3 Huntsville. Please note that if the buses are cancelled in the morning, they will not run in the afternoon. Unless stated on the radio or on the TLDSB website that the school is closed, the school will be open for business.

Halloween Candy

Please have your child enjoy their Halloween treats at home and refrain from packing them in their lunches!

Progress Reports and Parent-Teacher Interviews

Progress Reports will go home on Friday, November 16th. Teachers will be contacting parents to arrange an interview on November 22nd or at a mutually convenient time. Please make every effort to meet face-to-face with your child's teacher. This is an important piece of the home-school connection that shows your child that you believe their education is important. It also allows you to see and discuss their work with their teacher and share strategies that can be used both at home and school to help your child learn and be the best that they can be.

Please Keep Us In The Know!

TLDSB is committed to working with parents/guardians, students, and staff to develop and maintain a safe and welcome environment for all students. If your child has a medical condition or a prevalent medical condition (diabetes, anaphylaxis, asthma or epilepsy) we ask that you immediately contact the school office to provide information about your child's needs. With your collaboration we will create an appropriate Plan of Care to support your child at school.

As a best practice and to support your child, please let the school know if your child is diagnosed with *any* type of medical condition or if their medical needs change throughout the school year so that the school is aware and can keep this information on file.
